

REMARKS

Claims 1-3, 5, 6, 9, 11-14, 19-22, 24-30, 32, 34, 36-38, 42-47, 49, 51, 53, 54, and 57 are pending in this application.

In conjunction with the allowance of the subject application, the Examiner entered an Examiner's Amendment to the record. In the course of reviewing the Examiner's Amendment, Applicant's undersigned representative found some typographical and transcriptional errors, which are discussed in more detail below. Applicant submits this paper to correct the errors in the Examiner's Amendment.

In claim 1, Applicant proposes to correct the spelling of the word "network" (line4), to delete lines 23 and 24 because these lines are not part of the claim and appear to have been inadvertently added to the claim in the course of preparing the Examiner's Amendment, and to correct the spelling of the word "copy" (lines 41-42).

In claim 12, Applicant proposes to correct the spelling of the word "of" (line 3).

Regarding claims 53 and 54, the Examiner's Amendment lists three (3) different claims that are identified as claim 53. The first claim identified as claim 53 in the Examiner's Amendment is a correct listing of claim 53. The second claim identified as claim 53 in the Examiner's Amendment is a duplicate of claim 53 and Applicant has indicated that this claim should be deleted by striking through it in the Listing of Claims. The third claim identified as claim 53 in the Examiner's Amendment is a correct listing of claim 54, except for the claim numbering. Applicant has corrected the numbering of this claim in the Listing of Claims by striking through "53" and replacing it with "54."

In view of the foregoing, Applicant respectfully requests entry of this paper. In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (408) 749-6902. If any fees are due in connection
